

Big Interest in Paper Shredding Services at Procurex Scotland

October 2017

As the services being provided by Paper Shredding Services to the public sector continues to increase, we felt it would be appropriate at this time to exhibit at this year's Procurex Scotland event.

This event is the most important day of the year for Scotland's public procurement community and it was again held at the SEC in Glasgow alongside the Scottish Government's 13th National Procurement Conference.

The event was a success for Paper Shredding Services as more enquiries were received at the stand than anticipated. As this was a successful day Paper Shredding Services look forward to attending the event next year.

For more information about the event please visit www.procurexlive.co.uk.
