The Royal Marines team up with Browning for Charity Clay Shoot

Building on the success of the previous charity clay shoots Browning are delighted to once again sponsor the third annual Royal Marines Association Clay shoot.

The event is being held over 2 days – 6th and 7th October 2017 at Dunkeld Park Estate, Perthshire.

The first day – 6th October – is the 3 gun team simulated challenge where each team will be joined by a member of the Royal Marines to shoot over 5 different simulated game flushes – Grouse, Partridge, Duck, Pheasant and the sneaky Fur ‘n’ Feathers stand. A private auction lunch will finish the day off including prize giving ceremony and a performance by the Royal Marines Band Scotland, Corps of Drums

The second day – 7th October – is for individuals who will shoot a specially designed sporting round of 50 clays with re-entry encouraged with many distinctive prizes for each category. A unique “High Value” prize will be awarded to the first Straight 100 achieved over consecutive rounds.

“We are delighted to be sponsoring this unique shoot for the 3rd year in a row – it’s a fantastic way to support Royal Marine veterans” said David Stapely – Managing Director of ISBrands Ltd who added “Its not often that one has the opportunity to shoot with a member of the armed forces and I would urge people to support this charity event”.

Ends. Word count = 231

Editor's notes

In 2017, the Royal Marines celebrate the 353rd Anniversary of its original formation. A considerable history and, as an ever active component of UK military operations, a considerable legacy. Today, that legacy includes the requirement to support Royal Marines veterans, physically or psychologically wounded and our bereaved families. This is a serious challenge and one that the members of the Royal Marines Association attempt to meet on an annual basis by 'doing' something to raise funds for their colleagues and families, young and old. ***Now they need some help to help themselves.***
