

Commercial Dispute Resolution & Insolvency

Coodes offers specialist advice on all forms of commercial disputes and alternative dispute resolution.

We approach disputes with a resolution mindset providing a cost benefit analysis. Litigation is not always the right course, but if it is we have the necessary expertise. Early analysis is key to keeping costs to a minimum. We will always discuss funding options with clients.

Our range of commercial dispute resolution & insolvency services includes:

- partnership, company and contractual disputes
- banking and finance disputes
- shareholders' actions
- commercial property litigation
- insolvency – administration, liquidation, bankruptcy
- restraint of trade and anti-competition cases
- intellectual property disputes
- defamation
- injunctive relief
- disputes in the utilities sector
- fixed fee debt collection and small claims service.
