Exercise Books Overprinting Service

Personalise your school's exercise books with our overprinting service.

There's no cost to digitise the artwork from the logo you supply, and any text of your choice. Your artwork will then be retained for any future overprinting orders you may place.

You can choose any font you like, simply email the font file to us along with your school logo.

NEW - Personalisation is now available to include Department, Class, Subject, Teacher Name and Pupil Name details or any message required, in addition to your school crest or logo.

The printing cost is just £10.00 per 100 books (plus the cost of the exercise books themselves), that's just 8 pence per book!. All printing is done in one colour, black with a choice of typefaces for your school name.

Delivery is normally 2 to 3 weeks.
