### REST ASSURED WITH THE UK'S LEADING PROVIDER

Wren Retirement Living is managed by Healthcare Management Solutions, the country's leading provider of management and consultancy to the care sector.

# Social Distancing needn't be a lonely or worrying experience...

These are difficult and challenging times for everyone and particularly if you, or a loved one, is being asked to remain at home to minimise social contact.

If you are worried about how you, or one you care for, is handling isolation, shopping, cooking meals and general daily chores, then why not consider a short stay with us?

## With bespoke and affordable stays, now you can enjoy the splendour of Westerham Place and the stunning surroundings...

**A relaxed and warm welcome awaits  
 and with 24 hour professional care if  
 you need it, it's time to relax!**

While staying with us you can enjoy delicious home-cooked meals, a friendly team to talk to and a variety of entertainment in which you may wish to participate.

Our residents are minimising their social contact to keep them safe, but are still able to depend upon a dedicated and caring team who understand how to look after all your needs until this crisis is over.

Warm regards,

*Claire*
