STATEMENT OF INTENT:

To recognise our responsibility to our stakeholders we have a statement of intent. Our stakeholders include:

- All directors and employees
- Our sub contractors and suppliers
- Colleagues and other site staff
- Our clients
- Society

We intend to make the following commitments:

- To govern with responsibility
- To create a safe and healthy working environment
- To share information and co operate with other stakeholders
- To manage risks for all stakeholders and endeavour to make our sites as safe as possible
- To produce projects which are not only cost effective and environmentally suitable in the short term but also within their lifecycle.
- To consider those who may be effected by our operations
- To contribute to sustainable and safe solutions though innovation and creative thinking

Steven Rawlinson
Managing Director
