Fearann Eilean Iarmain: a working environment in a wild landscape

Wildlife Walks

Pull on your boots, pack a raincoat and head off into the hills with Scott MacKenzie of Fearann Eilean Iarmain, to experience the diversity of this most special of Hebridean landscapes. Let Scott lead you to hill, woodland, shore or moor to discover wildlife in its native surroundings. Develop a deeper understanding of the environment and the Gaelic culture that has shaped it – the place names, the local history and legends.

Half day outings offered throughout the year. The winter months can be particularly beautiful and dramatic, creating an alluring aspect to the landscape.

Refreshments provided, packed lunches available upon request.

Scott MacKenzie

With a wealth of experience and outdoor skills, Scott MacKenzie, Fearann Eilean Iarmain's full time resident gamekeeper/stalker, is the perfect host to lead your experience of our outdoor activities.

Please remember that your safety is paramount and that you should adhere to Scott's guidance and instructions at all times.

Wildlife Photography Workshop

Grab your camera and get set to capture the perfect shot under the guidance of local professional photographer, Stewart Dawber. Depending on your particular interest, Fearann Eilean Iarmain's Scott MacKenzie will guide you to appropriate locations for landscape, wildlife or macro photography where Stewart will teach you how to get that professional shot available through all the varying seasons.

Complete your adventure with one of The Gaelic Whiskies at the fireside in the Pràban Pub by the old stone pier at Hotel Eilean Iarmain.

Argocat Safaris

Particularly suitable for families, our popular Argocat safaris can be wild and exciting! Taking you off road and up to the lofty peaks, Scott MacKenzie will provide a memorable adventure with opportunities to spot wildlife, capture stunning images and enjoy learning about our wild places.

Why not take one of our picnic hampers with you and enjoy your lunch in this unique landscape with its magnificent views!

Half day safaris offered throughout the year..

Photo Stalking

Experience the thrill of a traditional Highland hill stalk... armed with your camera! Test your stalking skills with Scott on our breathtaking photo stalk experience. This full day adventure is available during the stalking season:

Red Stag open season - 1st July till 20th October

Red Hind open season - 21st October to 15th February

As with real stalking, the most popular period is during the rut, usually at its peak from the end of September to the end of October.

Let Scott take you through all the drama and excitement of a real stalk, from walking out to the high ground and spying for the deer, to stalking in towards them to gain ground before taking the shot...with your camera! During this exhilarating day, you will have the opportunity to develop a deeper understanding of deer management whilst seeing red deer in their natural habitat. Suitable clothing must be worn. Stout boots, waterproofs/windproofs. Bright colours or noisy clothing unsuitable.
