

Investing in the Coro Fellows

We invite our most financially supportive Coro Fellows alumni to join our Changemaker’s Circle. It’s the deepest level of alumni donor engagement and allows supporters of \$5,000 and above to have a direct connection to our current Fellows class.

➔ **Donors who are part of the Changemaker’s Circle support the goal of eliminating program tuition, increasing monthly stipends for Fellows, and supporting other costs associated with the Fellows Program in Public Affairs.**

Tuition elimination, coupled with the provision of stipends, is a sign of Coro New York’s tangible commitment to advancing equity and inclusivity among New York City’s civic leadership. It will allow more individuals to have the experience I had, and I encourage the Coro community to give deeply to support this effort.

ANDREW WILKES, Fellows 2011
Director of Policy & Advocacy, Generation Citizen

Hands down, the Coro Fellowship experience was the most important educational experience I’ve had. The tools I learned during my year as a Fellow come up in my work every single day. I give to the Changemaker’s Circle to ensure that the experience made available to me is available to ongoing Coro Fellows classes.

KEN YOUNG, Fellows 1998
Partner, Dechert LLP

\$5,000 and above Changemaker’s Circle

Benefits include:

Two VIP tickets to our annual Gala

Acknowledgment & name on our website

Acknowledgment & name at the Gala

An evening with the Fellows
Reconnect with your own Fellows experience by joining the current cohort in the seminar room for discussion & dinner
