January/February 2020 Volume 10, Issue 1

## *From Your President*

With the advent of the new year, I extend warm wishes to all on behalf of W-PHS for happiness and good health in 2020. May it be a peaceful and productive year as we continue our work together to preserve, document and make local history.

It gives me great pleasure to welcome Florence Doyle as Vice President of our Board of Trustees effective January 1. Elected at our annual meeting last November, Florence brings many years of executive leadership experience and skills with her, along with a contagious enthusiasm for the tasks at hand. Please join me in extending a warm welcome to Florence as she joins the Board and feel free to reach out to her with comments, concerns and suggestions that will help us to collectively move W-PHS forward.

In addition to our monthly programs and regular work to advance the society, W-PHS will launch Phase II of its extensive fundraising campaign this year to continue the revitalization of historic Gates Hall. Several years ago the society successfully completed Phase I, which funded from-the-ground-up foundation work in the basement necessary to stabilize the structure. Now the time has come to continue improvement and preservation efforts to protect and preserve the structural and architectural integrity of this historic property that celebrates its 195th birthday in 2020. This is a shared responsibility, and members and friends of the Society, Gates Hall and the Gatesinger Company, Ltd. will receive information later this month regarding our broad appeal for the financial support of this project.

Throughout the year, there will be a variety of fundraising efforts in which we hope you will participate, including the Society's first ever **Golf Classic on Monday, June 29**, at Sodus Bay Heights Golf Club. If you aren't a golfer, worry not, because there will be many ways to be actively involved in ensuring the success our first annual tournament! So, please reserve June 29 to either play, volunteer or join the group for dinner and entertainment at the end of the day.

In addition to regular annual events such as Homecoming, the Community Garage Sale and the Moonlight Cemetery Tour, W-PHS will host its **4th Home Tour on Saturday, September 12**. The 2020 tour will showcase "Pultneyville Porches" on, or overlooking, the southern shore of beautiful Lake Ontario. Save the date and stay tuned for details, and note that tickets will be available later in the year at [www.w-phs.org](http://www.w-phs.org)

Program Chair, Dottie Holland, has been busy at work planning for another year of interesting and educational programming. You will find a listing in this newsletter, and we hope to see you and your friends at our monthly programs throughout the year, which are free and open to the public.

Throughout 2020, our outreach and communication efforts will continue to include a mix of social media, email blasts, our website and traditional communication tools. Facebook has proven to be an effective communication tool for W-PHS, increasing our numbers from 329 last February to 901 at the end of December. While building greater awareness for the society and sharing information and photos, we also learn things about the history of the area from comments contributed by others as it offers an opportunity to share information. Many also often refer to our website at [www.w-phs.org](http://www.w-phs.org) for general information and to become members online.

*(Continued on page 2)*

*(Continued from page 1)*

Later in January when the Gates Hall Revitalization Fundraising Campaign is launched, our website will feature fundraising information, a video and an online giving tool for donor convenience.

Planning is well underway to expand our **educational partnership** with the Williamson Central School District. Coordinated by Kim Garlock, W-PHS Education Liaison, the Society will again host the 4th Grade Walking Tour and expand efforts this school year to also include educational opportunities for middle and high school students.

As you can see, 2020 will be a very busy year for W-PHS. It will take many volunteers to continue day-to-day and behind the scenes operations of the society and to successfully accomplish the activities mentioned. If interested in volunteering for our special events, please contact Co-Chairs of our 1st Annual Golf Tournament, Rachel Peters at (585) 750-4259 or Kyle Bolinger at (585) 491-4127; Home Tour Chair, Deb Parts at (585) 329-8442; or Kim Garlock, Educational Partnership Liaison at (585) 794-2135.

What we do together today to make and preserve history is quite often taken for granted, and many never think of it as making history. Our efforts as a group this year, and every year, are important and will someday be part of the history which helped to shape the future. In 25, 50, 75 and 100 years from now, others will read about what we did in 2020, just as many of us read today what was documented years ago. To that end, I encourage our members and friends of W-PHS to make history with us this year as we focus on our mission which is to gather and disseminate information concerning the history of Town of Williamson and to care for the heritage assets and properties entrusted to us.

Lastly, I would like to remind everyone that anyone can easily assist with documenting history by identifying subjects in photos by adding first, middle and last names, and including ages, dates and places on back of photos. While so often missing, this basic information helps to better tell our stories years later. While most often not intentional, there is nothing more frustrating than the absence of pertinent information when looking through photo albums of yesteryear! Sometimes it's the simplest things that make a big difference, and we are all guilty of not taking the time to do this.

Happy New Year to all . . . may the love of history continue to guide our efforts and keep W-PHS moving forward in 2020.

*Regards,*

*Nan*

### **Thank You to the Hoffman Foundation**

W-PHS was awarded a grant of \$1,000 from the Hoffman Foundation for a scanner. As technology has advanced, a scanner will be beneficial in preserving and safeguarding documents. Through scanning, the Society will be able to search and view information without actually touching the fragile objects that are in the Archives, such as newspaper articles, documents and photographs.

Thank you to the Hoffman Foundation for this award.

### ***Thank You . . . .***

Perry and Dottie Howland for their donation in honor of Nan Hance for her work as President

The Brewer Family for their donation thanking W-PHS for the interest the historical society took in their family history in Pultneyville

The Pultneyville Coffee & Deli for a donation to W-PHS

Peter and Mibb Browne for a donation to W-PHS

Joe Kozloski and Linda Perkins for a donation thanking W-PHS for opening the House for members of their car club

## Introducing Florence Doyle 2020 W-PHS Vice President

As we begin 2020, it is a new year for the Williamson-Pultneyville Historical Society to continue the mission “to gather and disseminate information concerning the history of the town of Williamson, Wayne County, New York, in general and the unincorporated hamlet of Pultneyville in particular.”

For me personally, it is a great honor in 2020 to serve the Society as Vice President. I look forward to collaborating with members of the Society and the community at large. The Society has so many exciting initiatives in progress that will enrich the legacy we leave future generations about the history of our community. I have a love of history and believe that we need to tell the stories of yesteryear, preserve the stories of today, and help create the stories that will be the next chapter.

For those of you who do not know me, I have resided in the Ontario/Williamson/Pultneyville area for 47 years. I attended Williamson Central School through sixth grade and graduated from Wayne Central. My career took me to Minnesota, Pennsylvania and Michigan for 14 years. In 2012, my husband and I built our home about 1.5 miles outside of Pultneyville. We have one son. He and his wife, along with their three boys, live in Hong Kong.

My career was focused on the healthcare supply chain with over three decades of experience and executive-level leadership. This experience included administration, strategic planning, merger consolidation, contracting, and logistics, information systems. I served as Vice President Supply Chain for large multi-state healthcare systems, Chair Division of Materials Management at the Mayo Clinic and 26 years in various leadership positions at Rochester General Health System.

I earned an MBA from the Rochester Institute of Technology. Currently, I serve Advent House (community home for terminally ill individuals in Fairport, NY) as a Member of the Dinner Dance & Auction Fundraiser Committee, 2017, 2018, 2019, 2020. I am also a member of St. Mary's of the Lake, where I provide service to Martha Ministry.

Please take the time to introduce yourself and let me know your thoughts and vision on the future of W-PHS. Together as a Society we can vision, plan, build and realize the gift of history! Happy New Year!

*Florence Doyle*  
Vice President

## Wayne Historians Organization (WHO) Historic Sites Database Available to All

Have you checked out the variety and diversity of historic sites that are listed in the Wayne Historians Organization (WHO) historic sites database? Looking for a daytrip or searching out a specific church or other historic structure, the WHO historic sites database is one resource you should consider.

To visit the Wayne Historians' Organization database, go to: [www.waynehistorians.org/Places/](http://www.waynehistorians.org/Places/)

All municipalities in Wayne County, as well as Williamson, have multiple entries that are searchable by categories, such as architecture, social, religious or educational institutions, museums and historians, among others. Much time and efforts has gone into entering the over 1000 sites found throughout Wayne County. Many of the sites currently listed also contain photos, GPS coordinates and historical narratives.

If you know of a site in Williamson that you think should be listed, don't hesitate to contact Williamson Town Historian Perry Howland at: [townhistorian@towilliamson.com](mailto:townhistorian@towilliamson.com) or WHO historic sites database coordinator Jim Paprocki at: [contact@waynehistorians.org](mailto:contact@waynehistorians.org).

And if you come across an entry that you feel or know is incorrect or not factual, please contact either Perry or Jim as well. As many of the sites and locations are privately owned, we ask that you respect this privacy and view the sites from the road or right-of-way but remain off private property.

### Recap of November 6 Harvest Dinner and Annual Meeting

There was no disappointment when it came to the food served at the November Harvest Dinner in the dining room of the Pultneyville Reformed Church. Adding to the delicious meal was an ongoing picture show of 2019 W-PHS activities. The stars of the YouTheatre November production gave a preview of their upcoming show followed by the annual meeting conducted by President Nan Hance.

## Recap of December 4 Christmas Potpourri 3

Christmas and children go together and what better way to begin Christmas Potpourri 3 then to have the children fill wooden shoes with hay and carrots for Sinterklaas' horse. As the children (and the adults) waited for Sinterklaas to exchange the hay and carrots with candy, an evening of words and music was presented by Town Clerk Sue Brennessel, Town Justice Deb Stritzel, longtime Williamson resident Liz Minier, Town Historian Perry Howland and local musicians Catalina Wooldridge and Jon Wright. Interspersed throughout the evening was Dan Montondo leading both young and old in Christmas songs and carols. W-PHS member Linda Perkins closed the evening by reading the storybook, *Rudolph, the Red-Nosed Reindeer*. Toward the end of the evening Sinterklaas did not disappoint the children and returned the wooden shoes with candy. Finally refreshments, thanks to Betty Morley and helpers, were enjoyed and gifts were collected for the Come-Unity Center.

## Membership News

Happy New Year everybody! Membership continues to grow. We are beginning 2020 with 159 members (118 individual memberships and 41 business memberships).

We need your help as we begin 2020. It is important that we reach out to many more families in the Town of Williamson. We know that in today's fast-paced world family members are busy pursuing careers, furthering their education, attending their children's activities, and trying to squeeze in a social life. So, it is understandable to hear, I just don't have time to actively volunteer in an organization. Membership does not require attending meetings or serving on committees. Memberships support the goal to preserve our history, whether its cataloging archives; maintaining historic landmarks like Gates Hall; providing historic programs; and so much more. So, please continue speaking to friends, neighbors and family members about the importance of supporting W-PHS. Additionally, if you have any suggestions on how we can reach more people, we would love to hear from you. Please give us a call at 315-904-4220 or stop by to chat with us at 4187 Foxwood Drive in Pultneyville. We would love to talk with you!

Membership renewals are continuing to come in. We had fun doing our three monthly drawing from membership renewals.

## Fort Ontario Conference—April 2020

Many of you may know, but some of you may not know, that the only Holocaust survivor camp in the United States was located on Federal Property in Oswego. The Safe Haven Holocaust Survivor Emergency Refugee Shelter was located just outside the gates of Fort Ontario.

The established quotas for European Jews had already been exceeded by the summer of 1944, so when a refugee ship arrived in New York Harbor the instructions were to turn it away.

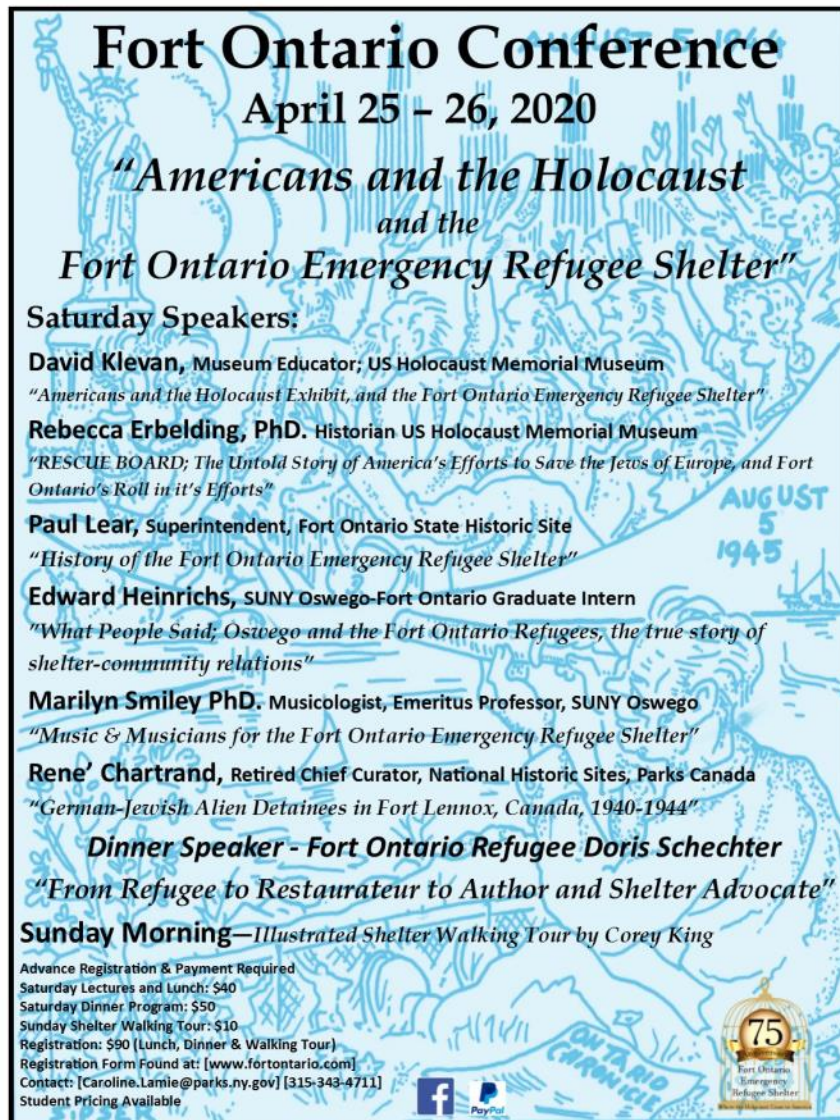

I don't recall all the intrigue and dealing, however, President Roosevelt was able to strike a deal that allowed them to land in New York. The deal included an agreement that the refugees would leave as soon as the war was over.

The Safe Haven Refugee Emergency Shelter is now a museum and the story is amazing. The 2020 Fort Ontario Conference this year will focus exclusively on "Save Haven." The Conference is April 25 – 26, 2020.

I recommend this conference. It is always excellent and also over-subscribed (sold out).
