Insurance Safe Ratings.

Insurance, overnight cash and valuables/jewellery ratings are for guidance only and you should check with your insurer for the exact requirements since the ratings may vary depending upon a number of factors including other security measures, location and the actual contents to be insured.

When you order a safe from Insafe, if you wish, we will liaise with your Insurance Department, Company or Broker to check that your safe will be fully approved.

Bespoke Safes.

Insafe's own UK based design and manufacturing facility allows us to offer tailor-made specials of any type of safe to order.

We can build a safe to your exact requirements from dimension and colour, to locking and features... you can create a totally bespoke safe.

And then you can choose to add special features including:
 Deposit slot • Letter slot • Drawer deposit • Lockable drawers
 Internal storage compartments • Internal coffers
 Internal power supplies • Watch winders

If you can imagine it, we can design and build it.

And what's more, a bespoke safe often costs less than you would think and be delivered faster than you'd expect... sometimes within just a few weeks!

Drop Safes.

All of our European graded safes can be fitted with deposit features, internal cupboards, air tubes, CIT features, time, delay, audit and internet remote control locks.
