## INFORMATION REQUESTS

We are now both familiar using Skype and Facebook and now able to see our family and speak with them in Australia on a regular basis. We are adventurous now.

It's been nice to meet new people and make new friends.

MAECare is like my second family.

Sundays are such quiet days. That's why I love coming to afternoon tea.

For two years I have had a funny feeling in my stomach and not felt like going out. Today I woke up and it wasn't there as I had somewhere to go.

She seemed so happy to have an older person willing to write to her and when I met her she was a lovely girl and I felt pleased to be in her life.

The management committee would like to thank all our supporters, funders, volunteers and staff for the contribution they make to the work of MAECare.
