

What Parent Carers say about Swindon Carers Centre

"I was at the end of my tether; I don't know what I would have done without your support."

"Absolutely brilliant, the support has been unbelievable. Knowing someone is at the end of the phone has been brilliant, otherwise I can feel very alone."

Information for Parent Carers

If you are looking after a child or young person with special needs and you need extra support, we are here to help

Parent Carers

Do you care for a child or young person under 18 with special needs? Does your child have a disability either diagnosed or undiagnosed? It could be a physical disability, learning disability or emotional/behavioural condition.

We are here to support you.

About us

Swindon Carers Centre (SCC) is a charity affiliated to the Carers Trust and established to support and provide help to carers in Swindon. We have a team of trained staff and volunteers who provide a wide range of support and services.

How can SCC help me?

Swindon Carers Centre works in partnership with Children's Services and Adult Social Care as well as NHS services and other local voluntary organisations, with the aim of identifying as many carers as possible to provide the most relevant support for your caring situation.

Our Parent Carer Support Workers are available to Parent Carers, providing emotional support, information and sign-posting to other services and agencies.

01793 531133
carers@swindoncarers.org.uk

Our Parent Carer Support Workers can:

- Offer home visits to talk through your situation face to face, or arrange another convenient location
- Provide practical and emotional support
- Advise you of your rights as a carer
- Be on the end of a phone for you to talk things through
- Be a source of information on local services and how they could help you
- Help you if you're experiencing problems with services
- Help with accessing various funding and grant giving bodies
- Help you to access other services available within SCC, including support for Young Carers
- Link you to our own carer groups or those run by other organisations

Please note that due to the high demand for our services, there is occasionally a waiting time of a few weeks before we can help
