**STARS OF THE MONTH**

Congratulations to Monica Martinez Correira and Susan Karanja for being this Months Stars! You have both been working extremely hard and we have received excellent feedback from our care homes about you both. Keep up the hard work!!

## WANTED

**Team Leaders Wanted!!**

We would like to train more of our carers to be Team Leaders so that you can earn more money and there is more of a chance for you to gain a permanent placement. All we need to do is place you on some further training and then send you on some shadow shifts. If this sounds like something you would be interested in please contact the office now!

We would like to thank all of our staff members for your hard work over the festive period.

Those of you that came into the office to have food and drink we hope you enjoyed it.

As some of you may know last year was a tough one as it was our first year trading and we found out the hard way that you cant place all of your eggs in one basket!!

But it is a new year and we want to make this one even better than last year, and with your help and continued dedication I think we can!

*Leadership is solving problems. The day soldiers stop bringing you their problems is the day you have stopped leading them. They have either lost confidence that you can help or conclude you do not care. Either case is a failure of leadership.*
