# Learning Management Solution

## Manage your strategic learning program

Regulatory compliance training obligations alone are a powerful incentive to consider investing in a Learning Management Solution, or LMS, due to the system's ability to efficiently collect learning data and produce comprehensive reporting.

But aside from this pressing regulatory need the LMS will also allow you to manage your entire professional learning plan for your staff, making it an important component of your overall strategic HR program as well.

## 'What gets measured, gets managed'

### LMS platform & services

If your in-house experience with an LMS is limited and your (IT) resources are stretched, you can rely on i-KYC's expertise to manage your LMS for you.

i-KYC offers a comprehensive cloud-based Learning Management Platform with the following essential features:

- Exclusive LMS Platform with your own 'Look & Feel';
- LMS administration and support services;
- Hosting of multiple e-learning (including 3rd party providers);
- Administer other training methods (e.g. classroom training, assessments);
- Scalability, flexibility and operational efficiency;
- Monitoring and analytical capabilities.
