

Summary of 2014/15 Catch up Funding and Allocations

In the academic year 2014/15 there were 34 pupils who were each eligible for £500 'Catch up Funding'. The total funding allocation was £17,000.

The full £17,000 funding allocation was invested in Sunday school catch up classes. The overall impact of all strategies and resources employed (see table 1 below) was very significant with no pupil at the start of Year 8 working below a level 4 (see table 2)

Strategies and Resources (Table 1)

Strategy & resource	Cost	Timeframe
Sunday school classes with teaching staff delivering literacy and numeracy to small groups every week	£17,000	Duration of academic year
Senior leaders with responsibility for literacy and numeracy	No additional cost	Duration of academic year
TA support in classes	No additional cost	Duration of academic year
Accelerated Reader Programme	No additional cost	Duration of academic year
Maths (PIM) and Reading age (NGRT) testing to baseline numeracy and to track reading ages	No additional cost	Duration of academic year
Miscellaneous Resources	£500	Duration of academic year
Total	£17,500	

Impact of Catch up Funding 2014/15 (Table 2)

Proportion of pupils below level 4	KS2 English	KS2 Maths	KS2 English and Maths	KS2 English or Maths
On entry	47%	24%	21%	49%
End of autumn term 2014	31%	16%	12%	34%
End of spring term 2015	27%	15%	12%	30%
End of summer term 2015	0%	0%	0%	0%
