

Feed-in Tariff Change of Ownership Form

I am applying for an existing British Gas Feed-in Tariff to be registered in my name.

How to make a successful application

Please make sure you send all the information requested below with your application.

Your application form needs to include:

- A Generation and/or Export Meter Reading** We need an accurate, up-to-date meter reading to set up your account.

Supporting documents needed for your application

- Signed solar PV declarations** – please make sure you have signed the two appropriate declarations (see pages 3-5)
- Proof of ownership** – for example, a copy of your invoice for generation equipment
- Proof of identification** – for example, a photocopy of your passport/driving licence

What you need to do

Please scan and email your documents to us at feedintariff@britishgas.co.uk

Please note that there is a 5MB limit for emails and you may need to send separate emails if the files are too large.

Or you can post them to British Gas, Feed-in Tariff Team, Winnall Down, Alresford Road, Winchester, Hampshire SO21 1FP.

How long will it take to switch my account?

It may take up to 28 days to get you registered after we get your fully completed application.

What happens if I don't send everything in?

If anything is missing, the date your new Feed-in Tariff can start will be delayed, and we'll also need a new meter reading to get your account up and running.

If you have any queries about our Feed-in Tariffs just give us a call on 0333 202 9483*

British Gas is a mandatory Feed-in Tariff licensee.

If you are hard of hearing or speech impaired and use a text phone, please call **18001 0800 072 8626**.

† NOTE If you have a solar PV installation that is eligible for Feed-in Tariff payments, on or after 1st April 2012 the amount of Feed-in Tariff payments you will be entitled to receive will depend on the energy efficiency rating of your property. Without this document you will still receive Feed-in Tariff payments but at a lower tariff.

If you choose to return the application to us via email or post, the application needs to be completed and returned on the date the installation was commissioned. If your application is received after your commissioning date you may be required to provide a further reading to be used to register your account. The fastest way to register is to send your application to feedintariff@britishgas.co.uk

* We may record calls to help improve our service to you. Calls to 0800 numbers are free. Call charges to 03 numbers will cost no more than 01 or 02 numbers, please check with your phone provider.

Personal details of the owner of the installation

Please ensure you contact your current FiT licensee to confirm the switch request. If the switch is not accepted by the current FiT licensee this may cause delays.
