Springtime at Henry Street

Now the days are getting longer and hopefully the garden is drying out we can at last get the garden going.

It is still not too late to sow your seeds. Come and look at our increased seed range which now includes Marshalls Vegetable and Unwins flowers seeds with a select range of Sweet Peas. We have a full range of propagators and sundries to give your seed sowing the best results.

After a long wet winter the lawn will need some attention. We have a full range of lawn care products, grass seed and turf, and our new range of electric and petrol lawnmowers are now in stock. We also stock spare blades for Flymo & Bosch.

To replace any damaged trees we have a great range of ornamental and fruit trees especially beautiful flowering cherries and crab apples just coming into bloom.

Remember we are open all over the Easter Bank Holiday except for Easter Sunday when we have to close due to Sunday Trading Laws.
