Letter from the Editor

Hello!

I heard someone say the other day that we love autumn until the clocks change. I think that's rather accurate, because as we head into November, and it's dark and cold and grey a lot of people start to feel the same way. Getting outside for short periods each day can really make a difference to how you feel, and it's advice that I need to take too!

Along with darkness comes fireworks. My dog is terrified of them (he even barked at shooting stars over the summer, but that might be mainly because he's not that bright) so I am trying to help his anxiety by making a DIY thundershirt of bandages. I will let you know if it worked - the idea is to wrap something like a T-shirt around him to act as a sort of hug and relieve his stress.

If you are thinking of letting fireworks off at home, please be considerate. Let your neighbours know so that they can keep their pets indoors and try to keep it to bonfire night or that weekend, because animals do often get very distressed by unexpected bright lights and loud noises.

Have a happy half term if you get one, and keep safe in the shortening evenings.

Download a digital copy of the magazine at www.honeybourne.org.uk

*Claire Poore, Editor,
magazine@honeybourne.org.uk - 01386 832800 - 47, School Street
www.honeybourne.org.uk*

The last date for articles for the December magazine is 19th November.

Villagers will be sad to learn of the death at her nursing home on Thursday 12th October of Ruth Overthrow, the widow of Rev Terry Overthrow, Vicar of Honeybourne, Pebworth and Dorsington from 1987 to 1996. The funeral will be at Tuffley, Gloucester – details to be confirmed.

SINGING FOR PLEASURE
CAROLE & MALCOLM BROWN

Saturday 18th November at 7.30pm
Honeybourne Village Hall
High Street, Honeybourne

Join us for an evening of memorable music with Carole and Malcolm who have performed extensively throughout the UK. There will be something for everyone with songs from Gershwin to Rodgers and Hammerstein and from musicals such as Les Miserables.

Funds raised will go towards the new Community Centre

Tickets £5.00 each

Bring your own drinks and nibbles

Get your ticket for this musical treat by emailing
Heath Jobs on heath.jobs@hotmail.com
or ring Rita on 01386 640696

The Christmas lights switch on event will take place on Friday 24th November 6.30 for 7.00pm. Anyone wishing to help or make a donation please contact Steve Tel 01386 834 783 or the Parish Clerk.

Parish Wide Vandalism

There is a notable rise in vandalism in the parish as a footpath bridge was smashed up by mindless vandals, it was quickly repaired in September for safety reasons but has now suffered yet again from vandalism damage requiring further expensive repairs. The new wooden seat on the Recreation Field has had three back struts smashed out along with the goalposts and the tennis net been badly damaged and requiring new parts to be purchased and fitted. This irresponsible damage is repaired at the expenses of the Parish Council and therefore the council tax payers of the Honeybourne, if anyone has information on the perpetrators of the acts of vandalism please inform the Parish Clerk.

Speeding and Mud

Sergeant Zoey Carter, the West Mercia Police Safer Neighbourhood Team Sergeant, attended the October Parish Council meeting and reported on the police actions taken over the Bretforton Road mud problem and traffic speed enforcement throughout the parish. Sergeant Carter will be making a visit to Vicarage Nurseries to inform them of the unacceptable farm activities which deposit mud on the public highway. She also confirmed the local officers will continue to carry out speed checks in the parish and she was pleased the Safer Road Partnership camera van now makes regular visits on Station Road. To gain positive data on the traffic speeding the Council has commissioned three devices for speed recording on Stratford Road, Weston Road and Buckle Street and it is hoped the data will be available for the November council meeting.

The Parish Council meets on the 2nd Tuesday of each month. Members of the public are welcome to attend meetings, which are held in the Village Hall and commence at 7.15 pm. Residents are welcome to speak on any issue of local concern during the Open Forum before the start of the meeting.

Clerk John Stedman

1, Ban Brook Road, Salford Priors, Evesham, Worcs, WR11 8XE Tel 01789 773999:
E-mail: j-stedman@btconnect.com

The Parish Office is open generally all day 10.00 am to 6.00 pm including weekends for all parish enquiries. Email is my preferred communication but my telephone is manned almost all day. The answer phone is on, but please ensure you state your business is with Honeybourne as my phone serves other Councils and my own business.

For up to Date Council information Visit www.worcestershire.gov.uk/MyParish and then link to Honeybourne

The church bookstall at the church's Christmas Fayre on November 26th needs good quality paperback fiction or children's books. Do you have any of these that you no longer need? We can collect – call Lesley on 830828.

BRETFORTON GARDEN CLUB

Our first meeting after the summer outings was a talk entitled Winter Gardening from Maggie Brown, a lecturer at Pershore college. She emphasised that the soil is the beating heart of the garden and we must look after it.

Maggie is passionate about ways to care for the soil through the winter and stressed that we should never leave it bare but cover with leaves or even old newspaper covered over with grass cuttings or bark chips to protect it from bad weather.

She also strongly advised people to consider planting a green manure such as clover, ryegrass or white mustard on their vegetable patch, these take up nutrients which makes the soil less likely to waterlogged.

She ended by telling us not to maintain a particularly tidy garden in winter as a lot of insects such as ladybirds and lacewings will keep the garden healthy for us.

Maggie was an energetic and amusing speaker with excellent tips for the winter garden.

Anyone interested in joining us at Breforton should contact Barbara Jenman at barbjenman.bj@gmail.com or check the website for more details.

Letter from the Vicar

Prayer – the beginning and the end

Jesus said, 'Everyone then who hears these words of mine and acts on them will be like a wise man who built his house on rock. The rain fell, the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on rock. And everyone who hears these words of mine and does not act on them will be like a foolish man who built his house on sand. The rain fell, and the floods came, and the winds blew and beat against that house, and it fell—and great was its fall!' Matthew 7: 24-27 (NRSV)

In a world of shifting sands, what solid foundation, what 'rock', can we with absolute certainty build our lives on? Money, property, stocks and shares and commodities all fluctuate in value. The Lottery – really? I suppose that's fine if you fancy odds of 1 in 13,983,816! Meanwhile, the writer of Psalm 18 describes God as,

'...My rock, my fortress, and my deliverer, my God, my rock in whom I take refuge, my shield, and the horn of my salvation, my stronghold'.

That sounds more like it. I said recently, in a talk that I gave in Church on a Sunday morning, that,

“Prayer is, or rather, must be, the one thing that undergirds everything else that we do.”

I honestly believe that. Prayer is what makes the difference – to us personally, to our churches, to our communities and to God's world. Prayer to God, in and through Jesus Christ, puts us into direct contact with the living God. We speak to God and, wonder of wonders, God speaks to us. Through prayer, we enter into a relationship with God and that relationship is sure and certain and never fails – it's the one thing in this world that we can rely on, a truly solid foundation for life.

Because prayer is so important, I'm starting a **monthly Prayer and Fellowship Meeting**. The meeting is open to *all Christians*, regardless of where you usually worship and this is my personal invitation to **you!** The format will be simple: we'll start with tea and coffee, read some verses of the Bible and talk about them and then lead into a time of prayer, where we can pray together, primarily for our churches and communities.

The first meeting will take place at **7.30pm on Thursday, 16 November, in the Vicarage in Honeybourne**. I really hope that you'll be able to join me.

With love in Christ,

Scott

HONEYBOURNE PLAY-READING GROUP

Honeybourne Play-Reading Group will be holding our next meeting on: **Thursday, 16th November 7:30pm** (play yet to be confirmed). The group currently has twelve members - mainly from the village and neighbouring Bretforton - with ages ranging from early forties to seventy-something.

We are always happy to welcome new people to our readings. You don't have to be an accomplished reader or have had any previous experience of play-reading to come along - just a sense of humour and willingness to give it a go! Our emphasis is on keeping the evenings as light-hearted and entertaining as possible.

The group is open to all villagers (18+) and people from the surrounding area. We meet on the third Thursday of each month in Stephenson Way. Membership is free and all reading material is provided.

For further details, please contact Nicola Hogan
Mobile: 0785 191 3435 / Email: honeybourneplayreadinggroup@gmail.com

 Baptism -

+++++

Dear Friends

It is with great sadness we have to inform the village that Mrs Ruth Overthrow died on Thursday 12th October, at Gloucester.

Our thoughts and prayers are with her family.

Note for your diary

The Church Fayre - Saturday 26th November 2.00pm at the Village Hall. We look forward to welcoming everyone.

Mary Miller Churchwarden - 01386 831998

A 3.8-Mile Walk to the Medieval Pools

Sturdy shoes or boots are recommended.

Pets should be kept on leads at all times.

Start at The Gate Inn, cross the Weston Road (TAKE GREAT CARE) and walk up High Street to the Thatched Tavern. Turn left alongside the Thatched Tavern into China Corner and walk straight on until you pass through the narrow gap opposite, between the houses. This leads onto a cul-de-sac. Follow the footpath straight ahead through the houses until you reach the end of the houses. Turn left and walk around the fenced culvert to the footpath signpost on the Weston Road. TAKE GREAT CARE when crossing this road. This is a very fast road, and visibility is not very good.

Over/through your first pet-friendly stile. This path leads through a woodland area before reaching the next pet-friendly stile. Once over the stile, turn right and follow the edge of the field (headland) to a waymarker post in the corner of the field where you will turn left, continuing to follow the headland.

Across another pet-friendly stile, then continue straight on to the wooden bridge. Cross the bridge and continue along the headland in the same direction until you meet the next wooden bridge with a stile. This stile is not pet-friendly, but dogs regularly squeeze underneath. Just before the bridge you will notice a bench to your right that is a lovely spot to enjoy refreshments (take your litter home) and enjoy the peace and tranquillity of the countryside.

Once over the stile, follow a 2 o'clock direction, to the left of the first telegraph pole, to the metal gate leading onto the bridge. Over the bridge; immediately turn right (notice another seat!) and through the gate to go up onto the bed of the old railway (there used to be ten tracks here). Walk in an eleven o'clock direction and down the other side of the bank to a gate. Enter the field and walk in a one o'clock direction to the far right-hand corner. This field is Poden "Lost Village" dating back to 703 AD when it was granted to Evesham Abbey by Offa, King of Mercia. This field is protected as a DMV (Deserted Medieval Village). It cannot be ploughed or dug in any way. Over the stile and across the Poden Farm driveway, following the track into the next field to the gated bridge on your right. Over the bridge (noting the raised ground to the right that is the site of a medieval overshot mill) and walk between the stables. This field was once a fish pond (constructed in the early middle ages) abutting the brook producing fish for the Abbott of Evesham. Follow the path along the headland on the left until you reach a stile in the far left-hand corner of this field. Over this stile and then immediately left over a bridge with stiles at each end, and turn immediately right and over the stile into the adjacent field. Walk in an eleven o'clock direction, crossing the drive of Far Poden Farm to reach the gated bridge that leads into Gloucestershire.

Follow the headland on the left of this field, passing over two stiles before reaching a kissing gate. Take a one o'clock direction up a short rise. The medieval ponds will now come into sight.

Retrace your steps back to The Gate Inn.

We hope you have enjoyed your walk today, and that we have whetted your appetite for a variety of future walks during 2017/18* in and around the Parish of Honeybourne.

Email steve@stephenbullen.com for copies of any walks, to express concerns, or seek advice on how to best enjoy Honeybourne's Rights of Way.

* A great way to gently improve your fitness and wellbeing, whilst appreciating the beautiful countryside in which we live.

HONEYBOURNE NEIGHBOURHOOD PLAN

By the time you are reading this the closing date for responding to the Honeybourne Neighbourhood Plan questionnaire will have passed; so thank you to those of you that have taken the time to complete it your views are much appreciated. Now the work begins on inputting the hard copy responses and analysing the results. We will be holding a meeting at 7:15pm on Wednesday 15th November in the back room of the Gate Inn to run through the results; these findings will then be used to develop an overall Vision and Objectives for our Plan. If you are interested in coming along and finding out the results, or are keen to get involved in the next stage of developing the Neighbourhood Plan please do come along.

Thank you!

The Honeybourne Neighbourhood Plan Steering Group

Every Honeybourne child now has the opportunity to cycle.

The village (H-BUG) has bikes for 6-10 year olds to borrow and also bikes that parents can borrow - all completely free of charge.

There is a short family cycle ride every month on the last Saturday of the month at 2.00pm from the village hall.

Bikes can be booked in advance by texting request to 07971 989 430

or find out more at

www.honeybournevillagehall.org

Honeybourne Wednesday club

The Wednesday club of Honeybourne met on the 4th of October.

There were 29 members present. After the Birthday cards for the month had been given out Win explained about the next trip going to Leominster calling for afternoon tea at a village WI on the 18th October at a cost of £15.00. During the afternoon she took the names and money of those wanting to go. To organise the Bowling trip in November she needed a show of hands to see who was interested.

We were entertained this afternoon by Matthew Sproston who played and sang George Formby songs. He also played other music from the 40s, 50s and 60s when the ladies came into their own with a good sing along. The vote of thanks was given by Peggy Miller.

At the November meeting on Wednesday 1st we will be enlightened by Andy Pedick with gardening tips and demonstration.

If you are not already a member why not come along and see what enjoyment and fun members get up to each month, plus the trips out. Non-members are welcome on trips too as long as there is room.

ROYAL ALBERT HALL
By Coach, from local pick-ups

Matinee Performance
Classical Spectacular

£55-£70 including Travel. Superb program, great venue.

Sunday 19th November

News from your District Councillor & County Councillor Alastair Adams November 2017

Dear Residents, Wishing you all a fun Halloween and a safe November 5th bonfire night. Here is the news this month from the District and County Councils:

Cyberbullying Campaign

#BeCyberSmart is the new campaign against cyberbullying and online harassment, led by West Mercia Police. It was launched on the 16th October. It's been developed with support of Worcestershire County Council, and six national organisations, including the NSPCC. In researching the effects of Cyber Bullying on the development of young people it is hard to find comprehensive national data. The scale of the issue is evident through limited voluntary sector data, in 2015/16 the NSPCC experienced an 88% increase in calls related to online bullying. In 2016/17 Childline carried out 24,000 counselling sessions for bullying and it is estimated that 16,000 school children are absent from school each year because of bullying. Police statistics show that 18% of harassment victims are under the age of 17. Public feedback collated by Worcestershire County Council identifies bullying as one of the biggest concerns for both young people and parents. See the following website for more information:

<https://www.westmercia.police.uk/becybersmart>

Are you getting the Broadband speed you are paying for?

If you have signed up for Superfast Broadband with your supplier (like BT Infinity) then make sure you are getting the speed you are paying for. A resident recently noted that BT was not providing the Superfast Broadband speeds they state in their advertising. After a major struggle with BT she got a partial refund and she is now paying a lower price for a lower service speed. Although most houses in Honeybourne are getting Superfast speeds, there are some that are too far from their BT cabinet and so the speeds are lower. Check your Broadband speed by visiting

www.broadbandtest.which.co.uk

If you are not getting over 24Mbps, then you are not getting Superfast so complain to your provider. You may get a refund!

Highways

1. SLOW signs painted on the road in both directions as you enter the railway bridges on Stratford Rd - completed
2. £6m pavement fund – Highway engineers attended Honeybourne on Monday 11th Sept and inspected all pavements including Stratford Rd & Dudley Rd. Agreed to patch various sections and to look at improving Stratford Rd.
3. Road over bridge by Honeybourne Station –Highways wanted to know which options regarding the subsidence did the Parish prefer.
4. Mud on Bretforton Rd – Vicarage Nurseries confirmed they have bought a road sweeper and will sweep this road more regularly. They also stated they are looking at a longer term solution installing some hard standing at the exit of the fields.
5. Unauthorised advertising signage attached to Highways signs at the road junction Honeybourne Rd /New Rd B4035 in Bretforton – all removed
6. A reminder to all Parishes to use their lengthsman to keep weeds and grass off

pavements by regularly applying weedkiller, and where possible to clear away the debris from the kerb edge which allows grass and weeds to grow. Special mention was made by the Highways engineers about the state of the pavements in Dudley Rd/Westbourne and Harvard Avenue which are all adopted by Highways and therefore the Lengthsman can be used on helping to keep these clear.

7. Stratford Road closure – 12th October – This is for remedial works.

8. Request by Parish Council to install Double yellow lines up the High Street for some 70m from the cross roads junction with Weston Rd. WCC Highways have noted this request, and asked for some monies from Section 106/developer to assess the issues created by this development.

As always, if you have any issues on any Highways matters, please report it on the WCC website http://www.worcestershire.gov.uk/homepage/98/report_it Also remember a photo of the Highways problem is as good as “a thousand words” so always take a photo where possible.

Rubbish near Perrie Drive Honeybourne greens

I have asked Rooftop’s help to clear some rubbish dumped here.

Overgrown grass verges as you enter the village along Weston Rd in front of the Taylor Wimpey site

A request was made to cut these as part of the Parish’s grass cutting contract – I understand this has been agreed.

Mobile Speed cameras in Station Rd, Honeybourne

Just a reminder that Safer Road Partnerships have stationed a mobile speed camera in Honeybourne. Slow down through Honeybourne, or risk getting a speeding ticket!

Also, as mentioned in last month’s report, please drive carefully through Ullington on Buckle Street.

Divisional FundT

he divisional fund is now open for business again, and offering help in providing small grants to help community voluntary organisation. So if you need a grant to help the community, then please email me details of what you need.

Your District & County Councillor, Alastair Adams can be contacted on adams.pebworth@gmail.com or mobile 07725 979 277 or www.alastairadams.org

Please send any contributions to the
Honeybourne Village News to
magazine@honeybourne.org.uk
by 19th November.

SportHoneybourne

www.sporthoneybourne.org.uk is the website where you can quickly find your favourite sports and exercises.

Local clubs and classes are all listed, so you have direct access to view their activities. Also, the latest national news feeds are available here for most popular sports.

Is your particular interest Taekwondo?

If so, enter the website and select “Combat”, and then select “Taikwondo”.

Or is it Dancing?

If so, enter the website and select “Other”, and then select “Dance”

Anything missing?

What will you do today?

Maybe set a Personal Best (PB), however short or slow. We can all do just a little more to improve our health and fitness.

Need help or support? Contact Steve who will be only too pleased to help in any way.

Honeybourne Junction

By Richard Parker & John Copsey

Local main-line services were worked by various engines, including "360" and "Standard Goods" 0-6-0s, and "36XX" 2-4-2Ts.

Steam railmotors serving Honeybourne came from Cheltenham (No. 89 was there) and Stratford (Nos. 95 and 96) and, as mentioned, both worked through on OW&W main-line duties, as did a visiting Stratford auto-train.

The former OW&W main line saw the greatest number of freight trains, and these included vacuum, express and through (also coal and iron ore) services, along with a couple of local goods each way. Four through goods trains in each direction used the North and South Loops en route between the Stratford line and the OW&W, whilst a couple more each way left the Stratford & Cheltenham route to call specifically at Honeybourne before returning to it. Two goods trains in each direction ran over the Birmingham & Bristol direct route at Honeybourne between Oxley or Bordesley and Aberdare or Carmarthen, with one local each way between Leamington and Gloucester.

While 0-6-0s were still in charge of many goods services, 2-6-0s of the "Aberdare" variety were to be seen on such trains as the 9.30a.m. Worcester to Moreton and the 3.40a.m. Oxford to Pontypool Road, and "43XXs" on the 9.35p.m. and 11.55p.m. Worcester to Paddington with the 1.0a.m. return. "Passenger" 4-4-0s were rostered on faster services such as the 3.45p.m. Worcester to Paddington and the 12.10p.m. return.

It was not long before the express services using the Birmingham & Bristol route increased, and in the summer of 1909 the Penzance trains were joined by Wolverhampton & Weston-super-Mare and Birkenhead & Bristol services each way, and by evening Birmingham & Bristol expresses in each direction by late 1911.

Through goods services over the B&B also expanded in the period leading to the Great War, with some 15 southbound trains on the Stratford line, eight of which now passed direct towards Cheltenham, whilst the others used the North or South Loops en route to the OW&W routes. It now became normal for some of the through goods to call at West Junction, perhaps to detach or attach in conjunction with the Honeybourne pilot.

The authors and publishers (Great Western Railway Journal) have very kindly given their permissions for these extracts to be republished in Honeybourne Village News

H-BUG
Cycle rides in Honeybourne
Everyone is welcome

Saturday 28th October	Family cycle ride 2.00pm at the Village Hall
Saturday 4th November	Aspire to cycle 10 or 20 miles 2.00pm at Badham Motors
Saturday 11th November	Challenge Hills cycle ride
Saturday 18th November	Aspire to cycle 20 or 40 miles 2.00pm at Badham Motors
Saturday 25th November	Family cycle ride 2.00pm at the Village Hall

SHORT MAT BOWLS

If you enjoy watching, and perhaps marvelled at the skill of the professionals performing on T.V. why not come along to the Village Hall on Friday evenings (7.30) and have a go yourselves at a somewhat simpler version called Short Mat Bowls.

All equipment is provided the only thing we ask that you wear flat shoes. Trainers etc. are ideal. The cost is £2 per session.

Please note that everyone within the village of Honeybourne should receive the Honeybourne Village News around the last week or weekend of the month. The magazine is available TO PURCHASE from the village shop: Please do not just take a copy as it costs both the shop and the magazine itself money.
