

Thomley

Groups - welcome information

Thomley offers days for disabled groups and respite groups to come and play, meet new people and find much-needed support.

Group days are every Wednesday in the school holidays throughout the year. Groups can also visit in term time and on Saturdays, as long as the children meet the age restrictions of that day.

You must book every visit before you come and follow our enrolment procedure.

To view all our upcoming activities and dates, visit our website and see our online calendar.

Before you come...

Prior to your first Thomley visit, we need you to fill out the group enrolment forms. This ensures we have the details of all children / adults attending with you group. Once you have provisionally booked a date to come, we will send you all the forms by email, which you will have to return at least two weeks before the booking date. If you need to make a change to your booking, then please let us know as soon as possible.

On the day of your visit...

All set for your first visit? Please make sure you bring sun cream or your wellies (or both!), a packed lunch and of course spare clothes or any medication you may require. When you arrive, ring the buzzer on our gate, where a member of the team will come and let you in. We will sign you in, ensure the parents and staff know where everything is including where to leave bags, and eat lunch etc. Then you can get on with your day.

How much is it going to cost?

As Thomley is a charity, we ask for a voluntary contribution towards your visit. We suggest a £10 donation per child or young person attending with a group. There is no donation for parents / carers / staff. If you would like a half an hour session in our sensory room, we ask for a further donation of £2 per user. If you require exclusive use of our site or you would like to book a one-off / regular event with us, please get in contact with our Service Manager.
