THE SUBLIMATED RANGE: NEW IN!

WHY SUBLIMATION?

Our Sublimated garments are made in 100% Polyester and are available in either 4 or 6 panels.

Our Sublimated garments do not suffer from colour fade or colour bleed.

The visual aesthetics of sublimation offer a clean and crisp finish which is both durable and stylish.

Your Company logo can be put on these garments.

Contact Us to find out more.

OUR EMBROIDERY SERVICE IN THE UK

Our UK Infrastructure:

Machines: 5 ZSK Machines

Heads: 40

Embroidered Garments per day: 1000

Stitches per day: 900000

Minimum Order Quantity: None

Digitizing: 24hr turnaround

Are you paying too much for your embroidery?
We have an embroidery service that can help.

Are you losing margin by having to send your garment to an embroiderer only to then send this back to yourselves and then distribute to your customer?

There is another way and we can help.
Pay only one distribution charge.

- We hold hundreds of lines of stock within our warehouse in a range of colours.
- Simply pick your product and we will embroider these in house either to you or directly to your customer.
- We use only the best threads to get the best possible result.
- There is no minimum order quantity
- We also offer a digitizing service available with a 24hr turnaround.
- Contact us for our embroidery service, prices and our information on our stock holding.
