

My Story

KEITH LYNCH

WINDOW & DOOR SALES
SPECIALIST

My role at McMunn & Yates as Window and Door Specialist allows me to utilize my 25 years of experience to its fullest, and to provide the best window and door products in the industry.

I moved to Winnipeg (from Richmond, Virginia) 43 years ago, and understand our hot summers, cold, harsh winters and the desire to make our homes as comfortable as possible in all of these varying conditions. I believe this starts with great windows and doors that are energy efficient and able to save you money on your heating and air conditioning bills.

Let me work with you or your contractor to get you the best windows and doors for your home. I will strive to make your decisions easier for you, and will provide you with a prompt written quote and fair pricing, always keeping in mind your budgeting needs. I have worked with both new construction projects and home renovations. I can help you with projects small or large.

If you are like many Manitobans and take advantage of the Manitoba Hydro Power Smart Residential Loan Program, I will help you fill out the forms and make the process as seamless as possible.

Customer satisfaction is my priority, and I will guide you through the purchase and installation process so that you love the final product. Let me make your project better! Go ahead, connect with me! I am your guy.

Community based since 1971.

Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
