

(513) 771-2550

REAL SAVINGS:

- Save 74% labor time
- Save 65% on pull time
- Save 81% on clean up time
- Save 70% on setup time

Encore Wire Reel Payoff®

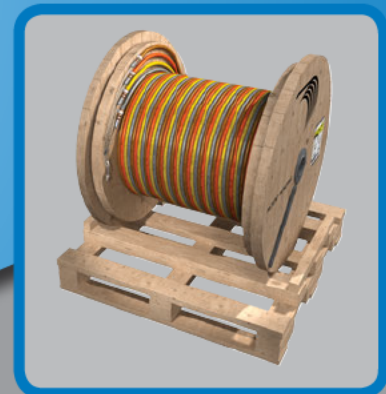

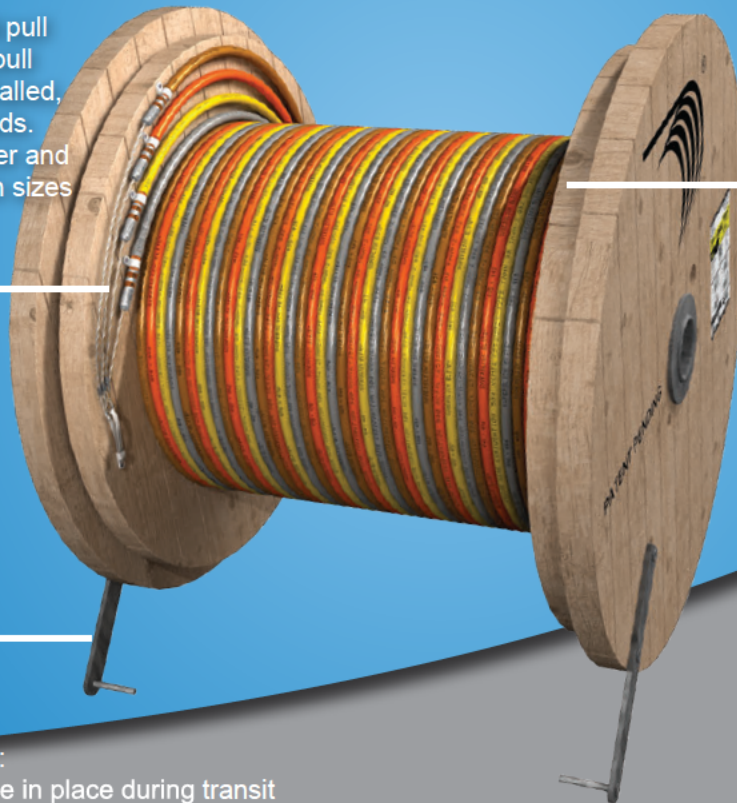

The industry's first self-spinning wooden reel

PULLING HEADS

Reduce your setup and pull time on your next wire pull when using Encore installed, color-coded pulling heads. Available for both copper and aluminum conductors in sizes 8 AWG - 1000 KCMIL

SELF-SPINNING REEL

No jack stand needed! The Reel Payoff allows you to pull directly from the reel.

REEL LEGS

2 Legs, 2 Purposes:
1. Locks inner flange in place during transit
2. Acts like a jack stand during your pull

Pull straight from pallet, without tools.

Simple to use:

- Roll Reel Payoff to your desired pulling location
- Release secured pin and pull Reel Legs out into kickstand position for support
- Pull wire directly off the reel; no jack stand needed

Scan to experience the Reel Payoff in action!
