

CLEANING SOLUTIONS LIMITED
PRODUCT INFORMATION -CLEANLAX

Cleanlax - Powdered Laundry Machine wash detergent.

PRODUCT DESCRIPTION: Cleanlax is a white free-flowing fully built main wash laundry detergent powder.

Purpose and Use: It is suitable for use on cotton and lightly soiled poly-cotton classifications. It is a white high quality machine detergent ideal for dry feed use.

| FEATURES | BENEFITS |
|---|--|
| Has controlled lather in machines. | Lather will not overflow to sensitive part of the machine. |
| Contains anti-redeposition agent. | Help maintain whiteness, even in heavy soil condition. |
| Contains water softener | Can be used in both soft and water condition. |
| Contains high level of fluorescent. | Gives extra brightness to washed clothes. |
| Provides excellent detergency on all types and levels of soiling. | Gives better washing |

PACK SIZE

Cleanlax is available in 5Kg bucket and 15 Kg polysac.

WASH PROCESS RECOMMENDATION.

The recommendations below are intended as guide.

USE DESCRIPTION

FOR BEST RESULTS

1. Separate polyester cotton article from other classification and wash.
2. Again sort into light, medium and heavy soiled classifications
3. Separate whites and coloured.
4. Do not overload the machine.
5. Do not apply bleach

FOR HEAVY SOIL / STAIN CONDITIONS

HEAVY SOIL/GREASY: A third wash may be necessary.

BLEACHING : For badly stained white loads, bleach may be added in with standard practice.

| OPERATION | TIME/MIN | TEMPERATURE | LEVEL OF WATER IN MACHINE | ADDITION (g/kg Load) |
|-----------|----------|-------------|---------------------------|-----------------------|
