

# **SPILMANS**

**EST 1941**

**We want everyone who visits our farm to enjoy the freedom of the great outdoors and have the best day ever! But we also want everyone to be SAFE.**

**All of our PYO & play areas are designed to provide a fun and interesting environment to play and learn. Please remember you are on a working farm, and always follow our Farm Rules.**

- All children must be accompanied by a responsible adult (18 +) we do not accept responsibility for the supervision of children.
- It is up to the responsible adult to decide whether a piece of equipment is suitable for an individual child and supervise children in EVERY area at all times.
- Our farm can get muddy! Please wear sensible shoes when walking in the fields and clean off muddy/sandy footwear before entering the café.
- We recommend that children wear practical outdoor clothing suited to the weather. Be prepared to get muddy/wet and bring a change of clothes and a towel!
- Please do not play or climb up onto machinery or metal work.
- Please use the play equipment correctly.
- Remember to wash your hands after picking strawberries, touching animals and playing around the farm.
- Please report any accidents or spillages to a member of the team to ensure that we can help.
- Only food purchased from the café may be consumed in the cafe areas. You may take picnics outside to anywhere on the farm, please note glassware is only permitted inside the café and courtyard areas.
- We are an environmentally kind farm, so please put your litter in the bins provided.

**Every consideration has been given for the safety of families visiting our farm, but we cannot be held responsible for accidents which occur as a result of playing on the equipment, lack of supervision or misuse.**

**Thank You, from the Spilman Family**
