Dear Andrew,

I write following your recent visit to our Hoddesdon office to conduct a PC health-check for a number of our older PC's.

I would like to express my thanks for your prompt response to my request and for your understanding of the brief and delivery on-site, your knowledge and expertise has no doubt prolonged the life of these machines pending our planned upgrade next year.

I have now had cause to engage your services on a number of occasions at both the Cheshunt & Hoddesdon offices and in every instance you have been quick to respond to my requests, thorough and knowledgeable in your diagnoses and clean and tidy in your work.

I would have no hesitation in recommending your services to any friends, family or business colleagues and will surely have need of your services again in the future.

Yours sincerely

*Peter Smits*
