

# TRANSPORTATION SERVICES

OMI Environmental Solutions (OMIES) has a large, diversified fleet of trucks, trailers and equipment. With over 20 years of experience in environmental and waste transportation, OMIES has the knowledge and experience to service our customers' needs. OMIES truck and equipment operators are highly trained professionals. They undergo extensive training in DOT regulations, United States Coast Guard (USCG) regulations and they are all fully licensed to transport hazardous materials. OMIES carefully monitors all eight U.S.

Department of Transportation (DOT) categories including: unsafe driving; fatigued driving (hours of service); driver fitness; controlled substance/alcohol; vehicle maintenance; cargo related issues; crash indicators; and insurance. Also, OMIES inspects its trucks before and after each use to see potential issues before they become a problem. Dispatching is available 24/7. OMIES believes that keeping up with existing and new regulations is a key ingredient for achieving performance excellence for our customers.
