

Personality Disorder Training for Staff Working with Women **WKUF: Women's Knowledge and Understanding Framework**

**VENUE: HMP East Sutton Park, Sutton Valence, Maidstone,
Kent ME17 3DF**

Day 1: Wednesday 20th February 2019

This introductory course supports understanding in working with Women who have a diagnosis of a personality disorder or display personality difficulties.

Course content

- Overview and aims of the KUF Framework
- Creating a safe learning environment
- What is personality disorder and what is it not?
- Personality disorder, the CJS and Women
- Link between personality disorder & offending
- Understanding the development of personality disorder and the impact of women's past experiences on the present
- Rules for living – a case example
- The impact of unconscious dynamics
- Looking after yourself – Reflective Practice

This is an experiential course which draws upon a range of learning materials including videos, case studies and other clinical material. As with all KUF programmes, the training is co-facilitated by experienced organisational and service user trainers.
