DIRECTORS' REPORT - For the year ended 31 August 2001

The Directors submit their Report and the audited Accounts of the Company for the year ended 31 August 2001

Directors' responsibilities

٠;

Company Law requires the Directors to prepare financial statements for each financial period which give a true and fair view of the state of the affairs of the company and of the profit and loss of the company for that period. In preparing these financial statements the Directors are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Results

The Profit and Loss Account for the year is set out on Page 4. The company has performed satisfactorily during the year, which state of affairs the Directors expect to continue.

The Directors do not believe that the introduction of the Euro will have any significant impact upon the business.

Profits and Dividends

After providing for taxation, a profit of £28,722 (2000 - £46,581) is transferred to reserves. The Directors do not propose to pay a dividend.

Principal activities of the company

The Company's principal trading activity is that of Building Contractor.

Syme & Duncan (Contracts) Ltd

REPORT OF THE INDEPENDENT AUDITORS

to the shareholders of Syme & Duncan (Contracts) Ltd

We have audited the Financial Statements on Pages 4 to 10 which have been prepared under the historical cost convention and in

accordance with the accounting policies set out in the notes to these accounts.

Respective responsibilities of the company's directors and auditors

As described in the Directors' Report the directors are responsible for the preparation of the financial statements in

accordance with applicable law and United Kingdom Accounting Standards. Our responsibility is to audit the financial

statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards. We

report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in

accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent

with the financial statements, if the company has not kept proper accounting records, if we have not received all the

information and explanations we require for our audit, or if information specified by law regarding directors'

remuneration and transactions with the company is not disclosed. We read the Directors' Report and consider the

implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

,

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board.

An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial

statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements and of whether the accounting policies are appropriate to the company's

circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the relevant information and explanations which we considered

necessary to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from

material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated

the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the Financial Statements give a true and fair view of the state of the company's affairs at 31 August 2001

and of its results for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

1. Accounting Policies

>

a) Cash Flow and Basis of Accounting

The financial statements are prepared under the historical cost convention and applicable accounting standards. A cash flow statement has not been prepared since the company is a 100% owned subsidiary of the C&B Holdings Ltd. group and consolidated financial statements are available.

b) Tangible Fixed Assets

- i) These are stated at cost less accumulated depreciation. Depreciation on purchased assets is calculated at the rate of 25% per annum on the written down value.
- ii) Gains and losses on disposals are credited or charged to the Profit and Loss Account when they occur and the relevant gross value and accumulated depreciation eliminated from the Accounts.

c) Assets leased

Where the company enters into operating or finance leases, its policy is to regard such leases as finance leases where their terms give rights approximating to ownership.

Assets held under finance leases (including Hire Purchase contracts) are capitalised at a fair value of the asset at the inception of the lease, with an equivalent liability categorised as appropriate under creditors due within and after one year. Assets held under hire purchase agreements are depreciated over their useful economic life; assets held under finance leases are depreciated over the shorter of the lease term and their useful economic life. Finance charges are allocated to accounting years over the life of each lease to produce a constant rate of charge on the outstanding balance.

Certain assets have been acquired for the company by Crispin & Borst Group Services Ltd., under a group hire purchasing facility. The assets are capitalised in the company and a liability recorded under creditors for the amounts due through Crispin & Borst Group Services Ltd. for the hire purchase liability. As finance charges arise they are allocated, as an inter group charge, to the profit and loss account. On completion of the hire purchase agreement title will pass to the company.

d) Stock

Stocks include building materials and consumables. Short term contract work in progress is valued at the lower of cost and net realisable value.

e) Long term contract work in progress

Long term contracts are valued at cost, including overheads, plus attributable profit, less any foreseeable losses. Attributable profit represents an assessment of profit on current contracts at the accounting date. Foreseeable losses are those estimated to arise on existing contracts, after taking account of future costs and overheads.

The amount included under Debtors as "Amounts recoverable on contracts", represents the amount by which the value of work exceeds progress payments to date.

f) Pensions

The company contributes to a personal pension plan scheme for some of its employees. Liability is limited to the premiums paid, which are charged against profits in the period of payment.

g) Corporation tax

There are group relief elections in force in respect of interest, dividends and losses. Deferred tax is provided on timing differences between the book and tax written down value of plant and vehicles.

2. Turnover

Turnover, which excludes Value Added Tax, represents the value of work completed during the period and includes an adjustment for the net change of long term contract work in progress.
